

A New Day

Tamar Kaprelian

i love this song...!

Versel:

Em **C**
before the light had found the dark
C **Em**
before tonight had fell apart
Em **D** **C**
frozen up i realized somethings gotta change
Em **C**
it took a crash to understand
C **Em**
time kept slipping through my hands
Em **D**
i never used to know the sun will shine
C
now turn to rain

*CHORUS:

C **Em** **D** **C**
say goodbye say goodbye to the way i was before
Em **D**
say hello say hello to a new way
C **Em** **D** **C**
i was lost but i found what i was looking for
Em **D** **C**
wakin up wakin up to a new day
D **Em**
into a new day

(pretty much the same as 1st verse)

Verse2:

i was sleeping in a twisted dream
dying just to make believe
a pretty situation was far from where i was
but im not up for giving up
lying down and out of luck.
but my mistakes are now in the open
and now im finally coming clean

(same as the Chorus)=)

CHORUS:

say goodbye say goodbye to the way i was before

say hello say hello to a new way
i was lost but i found what i was looking for
wakin up wakin up to a new day

breakdown:

D **Em** **D** **C**
cause everything everything ends at the start
(ends at the start)

D **Em** **Am** **C**
healing and feeling all of my scars
(yeah)

CHORUS: same =)

say goodbye say goodbye to the way i was before
say hello say hello to a new way
i was lost but i found what i was looking for
wakin up wakin up to a new day
to a new day, to a new day
i was lost but i found what i was looking for
wakin up wakin up to a new day
