x Until it fades out

Here s the lyrics, if you wan t to sing:

[Lyrics]

Senses taking over, thought to set me free
I tried to get up but it was pouring down on me
Keeps on getting deeper, desperately to be
Said there s some guy interested in dragging it out of me
Oh, it s what I need, oh

Tell me you re in love to let it show

Just making magic, I was far enough to see it
Better than to get just what a stranger did to me
Is it because I love, is it because I don t, well, I just don t know
Keep on asking me, darling, let me see it, keep on asking
Is there any way to let it go?
