

Cigar
Tamino

[Verse]

B7 **Em** **C** **G** **D** **Em**
You, look at me now, with those hollow eye sockets and smile
C **G** **D** **Em**
And it seems all a lie, what theyâ€™ve told me so far
B7 **Em** **C** **G** **D** **Em**
And you, show me that life isnâ€™t all about extending your time
C **G** **D** **Em**
No, itâ€™s the perfect time for a bottle of wine

[Verse]

B7 **Em** **C** **G** **D** **Em**
Why do I still care about all who might recall me
C **G** **D** **Em**
For everything dies, so does memory
B7 **Em** **C** **G** **D** **Em**
And why, am I still surprised, about all who pray their sins away
C **G** **D** **Em**
Arenâ€™t they too a part of this grand ballet

[Chorus]

B7 **Em** **B7** **C**
When time occurs, donâ€™t make it right
B7 **C** **B7** **C** **B7** **C**
Donâ€™t make me right, itâ€™s me to decide: this or that side
B7 **Em**
This or that side

[Verse]

B7 **Em** **C** **G** **D** **Em**
Death suits you dear sir, like a beautiful coat but then without all the fur
C **G** **D** **Em**
I wonder would it fit me? What would you have me prefer
B7 **Em** **C** **G**
D **Em**
You know, some people would rather not exist, they put a gun to the heart or a
knife to the wrist
C **G** **D** **Em**
We all think they aren t smart, but it could be something I missed

[Verse]

B7 **Em** **C** **G** **D** **Em**
But then she kisses my skin, I don t know what this is or where to begin
C **G** **D** **Em**
This fills me up with bliss, don t tell me this was a dream
B7 **Em** **C** **G** **D** **Em**
And she shows me that life isn t all about explaining your time

C G D Em
No, it s the perfect time, to lay all night

[Chorus]

B7 Em B7 C
When time occurs, donâ€™t make it right

B7 C B7 C B7 C
Donâ€™t make me right, itâ€™s me to decide: this or that side

B7 Em B7 C
I need your word, leave it aside

B7 C B7 C B7 C
Just donâ€™t make me right, itâ€™s me to decide: this or that side

B7 C
This or that side

B7 Em
This or that side

[Outro]

B7 Em C G D Em
You look at me now, with that burning cigar hanging out of your mouth

C G D Em
And it seems all a lie what they ve told me so far
