Say, that man of mine, he s sturdy as a rock
Made out of real good stuff, he s made out of real good stock
With the big strong arms and hands that he has
He knows how to handle me like I was made out of glass
Really good lovin (really good lovin)
Really good kissin (really good kissin)

C#m

It seems so unreal that this man of steel

A

Could possess such a tender feel

B7

Let this girl tell the world

E

Oh what a good man he is (oh what a good man he is)
Oh what a good man he is (oh what a good man he is)

Verse 2:

He makes the fact that he loves me clearly understood
He makes me feel so happy, girl, that he makes me feel so good
He knows that I need lovin and I don t need neglect
So he comes around me constantly to make sure that I get
Really good lovin (really good lovin)
Really good kissin (really good kissin)
Now take a bad thing he doesn t try
To keep my hopes up high
Let this girl tell the world
Oh what a good man he is (oh what a good man he is)
Wanna tell the world about my baby (oh what a good man he is)

A

All right (yes it is), oh my baby (it s him I need)

E

A

Tell about him (yes it is), can t do without him (it s him I need)

Verse 3:

I wanna say that man of mine is determined as can be
To make a good life for him and make a good life for me
Works every day, grindin the ax
But I know what to give him when it s time to relax
Really good lovin (really good lovin)
Really good kissin (really good kissin)
Days that he s mean I ve seldom seen
They re far and few between
Let this girl tell the world
Oh what a good man he is (oh what a good man he is)
Wanna tell the world about my baby (oh what a good man he is)

A B7 E

Wo wo wo wo oh what a good man he is (oh what a good man he is)
