

A Player A Pawn A Hero A King
Tammy Wynette

A Player, a Pawn, a Hero, a King

B D#m E B
He s a player, a pawn, a hero, a king
D#m E F#
A spectacle of spangles as he flies across the screen
E G#m D# G#m
He s an idol for the lover, a smile for those who cry
E B C#m F#
A fantasy for million ladies and sometimes wonders why

He s on a carousel, a spent wheel, a never ending line
Of interviews and autographs and lights that blind the eyes
But on his way to stardom, he s had to live some lies
Bout his hopes and dreams, his loves, it seems the world won t realize

B D#m E B
But he s a man, a strong and simple man standing proud and walkin tall
E B E B
With a longing for living, never takin just giving
E B A F#
He s a man that no one really sees at all

He s a player, a pawn, a hero, a king
