

Closer Than Ever
Tammy Wynette

Closer than ever

B **E** **B**
Honey, Iâ€™m home and at last the day is over
F# **B**
You been runninâ€™ through my mind all day long
E **B**
And thereâ€™s something Iâ€™m just dying to tell you
F# **B**
Weâ€™re not lovinâ€™ enough here at home

And maybe itâ€™s a womanâ€™s intuition,
For I had those same feelings too
Weâ€™ve been living not loving together
And Iâ€™m so glad to hear it from you

B7 **A** **E**
Turn out the lights, come to bed, letâ€™s get together
F# **B**
Cause when youâ€™re touching me you, mean so much to me in my arms
E **D** **A**
You know I cared, Iâ€™ll be there, it will be better
B **E**
Weâ€™ll be closer than ever than ever again
B **E**
Closer than ever again
