Cry
Tammy Wynette

Cry

```
B          E                                   G#7
  If your sweetheart sends a letter of goodbye
        C#m                                 C#
It s no secret you ll feel better if you cry
     F#m           B                          E                      G#7
When waking from a bad dream, oh, don t you sometimes think it s real
          F#                             F#m  B
But it s only false emotions that you feel

If your heartaches seem to hang around too long
And your blues keep gettin  bluer with each song
Remember sunshine can be found behind a cloudy sky
So let your head down and go on and cry
```
