

Crying Steel Guitar

Tammy Wynette

Crying Steel Guitar

E A

I m not surprised to find you here in this old dim lit world

B E

I ll bet you ve held a thousand poor broken-hearted girls

A

You sound so sad you must have had your share of misery

E B E

But you re just a crying steel guitar so cry again for me

Chorus:

E D A

Cause while you re crying his mem ry s dying

E F# B7

There s a special kind of sigh in the lonely way you cry

E A

You express my feelings and my tears no one will see

E B E C

So let you cold blue lonely strings cry once again for me

(up ½ measure to **F**)

I ll be here at this table again tomorrow night

Each time that I m close to you I know I ll be all right

I loved him more than anything but it s over I can see

If you don t mind please steel guitar cry much again for me

Chorus
