

**Easy Come Easy Go**  
**Tammy Wynette**

Easy Come, Easy Go

**G G7 C G**  
Love just walked on down the road, I guess it had to be  
**G7 C G**  
Cause he wouldn't walk so slow, too much time to see  
**C D G**  
All that love leaving me

**B C G**  
It's easy come and easy go, that's all he knows  
**D**  
So much sunshine in his eyes  
**B C**  
For a while he made my life a song  
**G D**  
Lord he'd sing to me, he would cling to me  
**C D G**  
And I loved him so, easy come and easy go

Love just walked on with my soul, oh he set me free  
Now the best has come and gone, at least it was to me  
And all that love is leaving me

It's easy come and easy go, that's all he knows  
So much sunshine in his eyes  
For a while he made my life a song  
Oh he'd dream with me, whisper things to me  
Showed me all there was to show, easy come and easy go
