

## Fifty Words Or Less

Tammy Wynette

Fifty Words or Less

**Bb** **F** **Gm** **D#** **Bb**  
Trying to think of how Iâ€™ll say goodbye, God, donâ€™t let me cry  
**F** **Gm** **D#** **F**  
Iâ€™ve lost the biggest contest of my life, I couldnâ€™t stand the lies  
**Bb** **F** **Gm** **D#** **Bb**  
I called it love you called it fun, respect I never won  
**F** **Gm** **D#** **F**  
Back when the hurtinâ€™ first begun shouldâ€™ve kept my pride and run

Chorus:

**D#** **F** **Bb**  
Now I donâ€™t want your shoulder to cry on  
**D** **D#**  
But if I was put to the test  
**Bb** **D#** **Dm** **D#**  
I would write all the good times you gave me  
**F** **Bb** **D#** **Bb** **D#**  
In fifty words or less

Iâ€™ve tried to play it by your rules, I was a fool  
To lose the game means losing you, looks like I lose

Chorus
