

Hardly A Day
Tammy Wynette

Hardly a Day

G **C** **C7** **F**
Hardly a day goes by when I forget it
G **G7** **C**
Hardly a night goes by I don t regret it
G **C** **C7** **F**
I not only said goodbye, I made you go
G **G7** **C**
Hardly a day goes by the hurt don t show

Chorus:

C7 **F** **Em**
Your memory wakes me up before the clock
D **G**
Your memory shakes me up when someone knocks
C **C7** **F**
Upon my lonesome room, could it be you?
G **G7** **C**
Hardly a day goes by that I get through

Hardly a day goes by that I don t want you
I never knew that love came back to haunt you
It s only in my mind and in your heart
Hardly a day goes by I don t fall apart

Chorus +:

Hardly a day goes by
