

I Can Love You
Tammy Wynette

I Can Love You

E **A E**
I can't stop the world from turning or the deserts from burning
B **E**
But I can love you, that's easy to do

A E
I can't stop the rivers flowing or stop the wind from blowing
B **E**
But I can love you, that's easy to do

I can't be a movie queen or act out a big love scene
But I can love you, that's easy to do
There are things that I can't do even if I wanted to
But I can love you, that's easy to do

A **E**
I can tell you love stories that are true
F# **B B7**
And have a happy home for just us two

I'll keep heartaches pushed aside, you won't ever be denied
And I can love you, it's easy to do
And I can love you, it's easy to do
