Thereâ€™s something growing strong around you

C

Is it not beautiful or is it invisible

Am D7

Cause I donâ€™t you even know itâ€™s found you

Am D7 Am D7

So look at me and listen carefully

Chorus:

G C B7

I L-O-V-E Y-O-U, must I spell it out for you

Em Bm

Cross my heart and hope to die, write your name across the sky

Em Bm

Tell me what I have to do to get through

C D7 G C D7

I L-O-V-E Y-O-U

I think you really care about it

But something in you makes you doubt it

If you just give me time, Iâ€™ll paint it on your mind

Iâ€™ll whisper it soft and low and then Iâ€™ll shout it

So listen then, Iâ€™ll tell you once again

Chorus +:

I L-O-V-E Y-O-U
