

I Wasnt Meant To Live My Life Alone
Tammy Wynette

I Wasn t Meant To Live My Life Alone

B **G#m** **A** **E**
All the times I ve fallin victim to my pride
 G#m **A** **F#**
Patiently, you have waited by my side
 E **F#** **E**
My guiding light through my darkest night
 F#
You re the one thing I do right.

Chorus:

B **Bbdim** **D#7** **G#m**
No, I wasn t meant to live my life alone
 E **D#m** **C#m** **F#**
The load is just too heavy and the road is just too long
 B **Bbdim** **D#7** **G#m** **E**
When I try to do it all myself it always turns out wrong
 C#m **D#m** **E** **F#** **B**
No, I wasn t meant to live my life alone.

But I ve tried a million times to take control
But I find I always dig myself a hole
And there I stand with a broken plan
Reachin for your hand.

Chorus +:

I wasn t meant to live my life.
I wasn t meant to live my life alone.
