Tonightâ€™s the night itâ€™ll be alright

G **Gm**

You can hold me tight till the morning light

She loves you, he love him
Tomorrow night just wonâ€™t be right, we wonâ€™t refrain

Letâ€™s get together one last time
Cause we canâ€™t break the vows weâ€™ll make

So for old times sake Iâ€™m yours to take one last time

One last time, one last time
