

One Of A Kind

Tammy Wynette

One Of A Kind

**G** **Bm** **Dm6** **C**  
Look at me cos I might be the very last one that you ll ever see.  
**Cm** **G** **A6** **Aaug A Am D**  
Someday you may wake up and find, I m one of a kind.

**G** **Bm** **Dm6** **C**  
Now, don t look back once you re free, there ll be nothing left to see.  
**Cm** **G** **A6** **Aaug A Am D**  
And I ll be just a memory but keep this in mind.  
**G** **Dm F G**  
I m one of a kind

**C** **G** **C7** **F**  
I wish you love as true as mine, may you find happiness this time.  
**Fm** **C** **Dadd2-7**  
If old memories ever cloud your mind, I wish you sunshine.

So, I ll drink this toast to you, go and find who means the most to you.  
But some night when she s lyin close to you, I ll ease through your mind.  
I m one of a kind.  
I ll ease through your mind. I m one of a kind.
