

Thats When I Feel It
Tammy Wynette

That s When I Feel It

E **C#7**
Fanny s washing the clothes I know, think I ll give Mary Sue a call
F#m **B7**
I ve cleaned the house, there s nothing left to do
E **C#7**
Gonna be another lonely night cause he s not here to hold me tight
F#m **B7**
The kids are on bed my day is through

G# **C#m**
Sometimes I wonder if he still loves me when he s home
F#7 **B7**
He never fails to change my mind the minute he gets home

E
That s when I feel it his love the most,
C#7
That s when he holds me, holds me so close
F#m **B7** **E**
That s when I know it because he shows it how much he loves me

Sometimes I wonder...
That s when I feel it...
