

The Heart

Tammy Wynette

The Heart

G **D** **G** **Bm**
The heart is a funny thing with a mind all its own
C **Bm** **A7** **D**
It withers like a garden left untended and alone
G **C**
And the thorns of loneliness invade and destroy what they can't steal
D **D7** **G** **G+** **Am** **D7**
So easy to hurt but oh so hard to heal

I know, I've had it happen to me time and time again
And it feels just like being turned down by your one and only friend
So don't fool yourself by saying that it won't hurt, the pain's not real
So easy to hurt but oh so hard to heal

B **Em** **C** **D** **G** **G+** **Am**

C **D** **D7** **G**
So easy to hurt but oh so hard to heal
Cm **G**
Hard to heal
