

The Heart

Tammy Wynette

The Heart

G **D** **G** **Bm**
The heart is a funny thing with a mind all its own
C **Bm** **A7** **D**
It withers like a garden left untended and alone
G **C**
And the thorns of loneliness invade and destroy what they can t steal
D **D7** **G** **G+** **Am** **D7**
So easy to hurt but oh so hard to heal

I know, I ve had it happen to me time and time again
And it feels just like being turned down by your one and only friend
So don t fool yourself by saying that it won t hurt, the pain s not real
So easy to hurt but oh so hard to heal

B **Em** **C** **D** **G** **G+** **Am**

C **D** **D7** **G**
So easy to hurt but oh so hard to heal
Cm **G**
Hard to heal
