The Ways To Love A Man

**C#**            **G#**            **C#**                            **G#**  
There are so many ways to love a man  
          **C#**            **D#7**                            **G#**  
And so many things to understand  
                          **C#**                            **D#7**                            **C**    **C#**  
And if there ever comes a time you decide to change your mind  
**G#**    **C#**    **G#**    **C#**  
Iâ€™ll need a way to hold you and I can  
                          **G#**    **C#**    **G#**    **E**  
Cause Iâ€™ll know all the ways to love a man

(up ½ measure)

But there s so many ways to lose a man  
So quickly he can slip through your hands  
One little thing goes wrong then all at once he s gone  
Iâ€™d have no way to hold him like I planned  
It takes more than just one way to love a man

With my hands my heart anything I can find  
My child, my heart, my soul and my mind  
Iâ€™ll know that I can hold him yes I can  
If I know all the ways to love a man
