

What I Had With You  
Tammy Wynette

What I Had with You

**C** **F** **Dm**  
All I want is what I had with you.  
**G** **C** **G**  
What I just can't find with someone new.  
**C** **F** **Dm**  
I've tried other loves but they won't do.  
**G** **C**  
All I want is what I had with you.

**G** **F** **C**  
Lookin' back in time I see yesterday  
**G** **F** **C** **G**  
When I held the world and let it slip away.

All those strange new loves just leave me blue  
All I want is what I had with you.

(Instrumental)

I've tried other loves but they won't do.  
All I want is what I had with you.
