When You Loved Me Tammy Wynette

When You Loved Me

A B D A
You make this ordinary girl feel just like a queen
B D A
And this two room house with you inside it s such a stately thing
A7 D Dm A
Forty acres of Georgia clay seems just like Montego Bay
A7 D Dm A
And December turns into May when you loved me

This cotton gown feels soft as lace when I am lying by your side And the rain against this old tin roof sounds like the ocean tide Momma s torn and tattered quilt on this old homemade bed you built For me seems as smooth as silk when you loved me

D A C
No, I m not dreaming, it s just how I feel
Bb F C E
I ve never felt something I know it s so real

That broken down old pick up truck is like a limousine to us You changed my world with just your touch when you loved me When you loved me
