

To Hurt Somebody
Tanel Padar & The Sun

Am **F**
I ve been searching for you and calling you all day
Am **F**
Was it just a one night stand or you didn t stay?
Am **D** **F**
Maybe you were too afraid to have a friend
Dm **C** **F**
Cause one day that friend maybe your loving man

Am **F**
I have seen it many times before last night
Am **C** **F**
do you really think it was just a coincidence
Am **F**
I ve been waiting till I ll meet you face to face
C
cause I ve dreamed about you, for a million years

F **C**
To hurt somebody,
Am **G**
Brings pain to everybody
F **C**
To hate somebody,
Am **G**
Doesn t make you feel good
F **C**
To love somebody,
Am **G**
Will bring joy to everybody
F **C**
To hold somebody,
Am **G**
It will make you feel good

Am **F**
The woonds I heal when I still think of you
Am **F**
For my soul, that is breathing, i m gettin over you
Am **F**
Cause my lies that are over everything that s true

C

Still got my little angel watching from above

F G Am

I m seeking around my empty room

Em F
Trying to find a piece of you

G Am
Calling your name but you re not here

A#
Why did you slip away ?
