It All Came Back Today
Tanita Tikaram

Tanita Tikaram - it all came back today

The following is played under the verses:

```
   D        D/C#         G        D
e|---------------|---------------|
B|----3-------3---|----3-------3---|
G|--2-------2---2-|--4-------2---2-|
D|0-------------|5-----0---------|
A|------4---------|---------------|
E|---------------|---------------|
```

I ve marked the start of each bar with [D*] and [G*] respectively below
(other than between each verse, where I ve put in [D,D/C#] and [G,D] for each
bar).

[**D,D/C#**][**G,D**]
[**D,D/C#**][**G,D**]

Well, he [D*]said it like he [G*]meant it
But he [D*]did not really [G*]care
So I [D*]sat upon the [G*]Eve s embraces
[D*]I was never [G*]there -
No, I was [D*]never really [G*]fabled
I was [D*]never really [G*]lost
I was [D*]cunning through this [G*]habit of mine
Y see [D*]all the words were [G*]lost
Yes, [D*]all the words were [G*]lost

[**D,D/C#**][**G,D**]
[**D,D/C#**][**G,D**]

And you can [D*]stand upon your [G*]own life
Say it [D*]always seemed to [G*]seal
There were [D*]smiles upon the [G*]picture
But I [D*]don t know what to [G*]feel
And I [D*]told a million [G*]stories
And I [D*]sat down to risk [G*]half
But I [D*]never really [G*]meant it
 Til you [D*]came and stole my [G*]heart away
You [D*]came and stole my [G*]heart away

[**D,D/C#**][**G,D**]

[**D**,**D/C#**]][**G**,**D**]

And [A]even if your [D]real thought hid
A [**G**]thousand words **A**[**D**]way
And [A]even if you [D]never knew
It [G]all came back to[D]day
It [A]all, it all, [A]all, all
[G]All came back to[D]day
It [A]all, it all, [A]all, all
[G]All came back to[D]day

[**D**,**D/C#**]][**G**,**D**]
[**D**,**D/C#**]][**G**,**D**]

Well, the [D*]rain scales up
And your [G*]soul is drowned
And [D*]mother s saying still [G*]raise a frown
And [D*]mother s saying still [G*]makes you see
What [D*]you have lost ins[G*]tead of me

[**D**,**D/C#**]][**G**,**D**]

And [A]even if your [D]real thought hid
A [**G**]thousand words **A**[**D**]way
And [A]even if you [D]never knew
It [G]all came back to[D]day
It [A]all, it all, [A]all, all
[G]All came back to[D]day
It [A]all, it all, [A]all, all
[G]All came back to[D]day

[**D**,**D/C#**]][**G**,**D**]
[**D**,**D/C#**]][**G**,**D**]

And [D*]even if the [G*]starlight falls
And [D*]takes your breath a[G*]way
You [D*]still stare up to[G*]wards the toss
I [D*]don t know what to [G*]say
I [D*]don t know how to [G*]be alone
With [D*]some kind fretless [G*]friend
And [D*]even though the [G*]Harvest brings
Well, we [D*]all begin a[G*]gain
Yes we [D*]all begin a[G*]gain

And [A]even if your [D]real thought hid
A [**G**]thousand words **A**[**D**]way
And [A]even if you [D]never knew
It [G]all came back to[D]day
It [A]all, it all, [A]all, all
[G]All came back to[D]day
It [A]all, it all, [A]all, all
[G]All came back to[D]day

[A]I would like this [D]sun
Be [G]spoke until I [D]find
[A]I was all re[D]membrance
Un[G]til the words got [D]tired

[**D,D/C#**][**G,D**]
[**D,D/C#**][**G,D**]

And [D*]even if your [G*]walk grows stale
And [D*]you got nothing [G*]left
I [D*]caught the stylist, the [G*]sun, the soul,
[D*]There is a second [G*]breath to take
Yes, [D*]there is a [G*]second
