All God s children need travelling shoes

Now your conscience is clear
I hear you talk girl

Now your conscience is clear

Fm **Bbm**
In the morning I wipe my brow
C **Fm**
Wipe the miles away
Fm **Bbm**
I like to think I can be so willed
C **Fm**
And never do what you say
I ll never hear you
C **Fm**
And never do what you say

(CHORUS)

Fm **C** **Fm**
Look my eyes are just holograms
C **Fm**
Look your love has drawn red from my hands

From my hands you know you ll never be

More than twist in my sobriety

More than twist in my sobriety

More than twist in my sobriety

Late at night don t need hostility

The timid smile and pause to free

Fm **Bbm**

I don t care about their different thoughts

C **Fm**

Different thoughts are good for me

Fm **Bbm**

Up in arms and chaste and whole

C **Fm**

All God s children took their toll

(CHORUS)
