This is an easy-to-play tab, and I love the song. I play it this way cause it fits my range, but if you want to match the original, capo 5th.

```
e-----0---0-----0---0-----0---0-----0---0----|
B---1---1---1---1---1---1---1---1---1---1---1---1---|
G-----|
D-----|
A--3-----3-----0-----0-----|
E-----|
(Repeat twice)
[If I was a      Londoner      rich with complaint...]
```

```
e-----0---0-----0---0-----0---0-----0---0----|
B---1---1---1---1---1---1---1---1---1---1---1---1---|
G--0-----|
D-----3-----3-----3-----|
A-----|
E-----|
(Repeat twice)
```

Alternative first riff (used later):

```
e-----0---0-----0---0-----0---0-----0---1---|
B---1---1---1---1---1---1---1---1---1---1-0-1---1---|
G-----2-----|
D-----|
A--3-----3-----0-----|
E-----|
```

The outro is simply C - Am alternated. Have fun! :)
