**Tank**

Chords and lyrics for Next Breath by Tan

as i pour this

**B**

glass of wine

i hope

**F#**

it helps me express these

**G#m**

thoughts of mine

no, i donâ€™t think iâ€™ve

**F#**

ever felt

**B**

the way i felt for

**F#**

you girl so

**G#m**

iâ€™m turning these lights down and iâ€™m telling

**F#**

you right now

**B**

i donâ€™t think

**D#m**

iâ€™ve

**F#**

ever ever really

**G#m**

told you how much i need you

girl i need

**B**

you more than my next

**D#m**

breath

**F#**

never would i

**G#m**

ever leave you cause darling i need you

i need you more than my next breath.

i need

**B**

iâ€™m sorry for the times that i stressed you out

and iâ€™m thankful for the times you aint put me

**G#m**

out your house

(yeah oh)

i fell in love

**B**

more than once

**D#m**

but

**F#**

every single time

**G#m**

it was with you girl (you) (oh)

i donâ€™t

**D#m**

think

**B**

iâ€™ve ever ever

**D#m**

really told

**F#**

you how much i

**G#m**

need you girl i need you more than my next breath never would

**F#**

i ever leave you

**D#m**

cause

**B**

darling i need you

i need

**G#m**

you more

**F#**

than my next breath i breath.

this is the part where

**G#m**

we slow it down

make love to your mind

**B**

itâ€™s ok you can think out loud (no)

itâ€™s four in

**G#m**

the morning and iâ€™m pouring out my

**D#m**

heart

girl so much to say

**F#**

i donâ€™t know where to

**G#m**

start girl oh(oh yeah)

i

**B**

donâ€™t think iâ€™ve ever ever really told

**F#**

you how much i

**G#m**

need you girl

i need you more than my next

**B**

breath never would i

**F#**

ever leave you cause darling

**G#m**

i need you

i need you more than my next breath i breath
