

Its A Little Too Late
Tanya Tucker

I played this along with her recording and it sounded right to me. Didn't see it on this web site.... great old country swing song.

Artist: Tanya Tucker
Song Title: It s A Little Too Late

Capo 1 (to be in key with her recording)

G
Well I was up all night well wonderin what to do

Thinkin that I oughta just forget about you
C
But it s a little too late
G
Well it s a little too late
D
When you walked in I shoulda walked out
C **D** **G**
Well it s a little too late to do the right thing now

G
Well the whole town told me you re the heart break king

Guess I oughta pay attention when they say those things
C
But it s a little too late
G
Well it s a little too late
D
I know all my old buddies wanna help me out
C **D** **G**
But it s a little too late to do the right thing now

C
Turn the jukebox up throw some sawdust down
G
I m too far gone to turn this heart around

I may be wrong but I don t walk out
