

Never Will Marry
Tarkio

Intro **E**

Hold out the **E**, start singing the first line, then go to the **B** naturally.

The rest is exactly the same.

B
One morning I rambled
E **A**
down by the sea shore,
E
and the wind it did whistle,
B **E**
and the waves they did roar.

B
I heard some fair maiden
E **A**
give a terrible cry,
E
and it sounded so lonely,
B **E**
and it swept up so high.

B
Said William to Molly,
E **A**
"if you will agree
E
to give your consent, love,
B **E**
and marry me.

B
For my mind is to marry
E **A**
and never to part.

E
For the first time I saw you,
B **E**
you wounded my heart.â€•

â€•Go away from me William
and leave me alone,
â€•cause Iâ€™m just a poor girl
and a long way from home.
No, I never will marry
nor be no manâ€™s wife.
Iâ€™m content to live single
all the days of my life.â€•

â€œThe shoal in the ocean
will be my death bed,
with the fish in deep water
swimminâ€™ over my head.â€•
She cast her fair body
in the water so deep
and she closed her bonny-blue eyes,
forever to sleep.
