

**Free Mind**  
**Tash Sultana**

[Intro]

**C Em7 Am**

**C Em7 Am**

[Verse 1]

**C Em7 Am**

I woke up on the wrong side of the bed again

**C Em7 Am**

Can somebody tell me what day this is

**C Em7 Am**

You got your blue jeans with that white shirt and your glasses on

**C Em7 Am**

And you don't seem yourself, no

**C**

Don't bother calling the doctor, doctor

**Em7**

For this kind of disease

**Am**

Unscrew my mind I walk with ease

**C Em7 Am**

Cause I can feel it crawling underneath my skin

**C Em7**

But you wrap me in your cinnamon

**Am**

Honey-suckle, suck it in

**C Em7 Am**

Tuck me in your warmth I wanna feel you breath it in

[Chorus]

**C Em7 Am**

When will my mind be free

**C**

From all the chains that hold me

**Em7 Am**

Hold me hold me hold me down

**C Em7 Am**

When will my mind be free

**C**

From all the chains that hold me

**Em7 Am**

Hold me hold me hold me down

**C Em7 Am**

**C Em7 Am**

[Verse 2]

**C** **Em7**  
Leaving my brain in the sixth dimension  
**Am**  
Sacrifice the pain I forgot to mention  
**C** **Em7**  
Turn out the lights the dark fills the night  
**Am**  
I can see through your eyes  
**C** **Em7**  
The smell of vanilla oh it lingers  
**Am**  
Like honey-coated marmalade on the tips of your fingers  
**C** **Em7**  
Turn out the lights the dark fills the night  
**Am**  
I can see through your eyes  
**C** **Em7** **Am**  
There I was just rolling in the deep  
**C** **Em7** **Am**  
Coming up for air why don t you suffocate my dreams  
**C** **Em7** **Am**  
The bird with the word why don t you carry me  
**C** **Em7** **Am**  
Carry me

[Chorus]

**C** **Em7** **Am**  
When will my mind be free  
**C**  
From all the chains that hold me  
**Em7** **Am**  
Hold me hold me hold me down  
**C** **Em7** **Am**  
When will my mind be free  
**C**  
From all the chains that hold me  
**Em7** **Am**  
Hold me hold me hold me down

**C** **Em7** **Am**  
**C** **Em7** **Am**  
**C** **Em7** **Am**  
**C** **Em7** **Am**
