

## Sleeping Satellite

Tasmin Archer

[Chorus]

**Em** **A**  
I blame you for the moonlit sky  
**Bm** **B**  
and the dream that died, with the Eagle s flight  
**Em** **A**  
I blame you for the moonlit nights  
**Bm** **B**  
when I wonder why, are the seas still dry  
**C** **D**  
Don t blame this sleeping satellite

[Verse]

**Em** **A**  
Did we fly to the moon too soon, did we spoil another chance  
**C**  
In the rush of the race, the reason we chase  
**D**  
is a lost in romance  
**Em** **D**  
And still we try  
**C**  
To justify the waste for a taste  
**D**  
Some man s greatest adventure, oh

[Chorus]

**Em** **A**  
I blame you for the moonlit sky  
**Bm** **B**  
and the dream that died, with the Eagle s flight  
**Em** **A**  
I blame you for the moonlit nights  
**Bm** **B**  
when I wonder why, are the seas still dry  
**C** **D**  
Don t blame this sleeping satellite

[Verse 2]

**Em** **A**  
Have we lost what it takes to advance, have we been too soon  
**C**  
If the world is a dream, then why does it scream  
**D**  
under a blue moon  
**Em** **D**  
We wonder why

**C**

if the earth is sacrificed for a price

**D**

of it s greatest treasure, oh

[Chorus]

**Em**

**A**

I blame you for the moonlit sky

**Bm**

**B**

and the dream that died, with the Eagle s flight

**Em**

**A**

I blame you for the moonlit nights

**Bm**

**B**

when I wonder why, are the seas still dry

**C**

**D**

Don t blame this sleeping satellite

[Verse 3]

**Em**

**A**

And when we shoot for the stars, what a giant step

**C**

Have we got what it takes, to carry the weight

**D**

of it s consense

**Em**

**A**

Or pass it by

**C**

Like a shot in the dark, with some mark

**D**

with a sense of adventure, oh
