

All My Friends Are Broken

Tate McRae

[Verse]

F

Maybe I,m getting more numb

G

Cause I keep biting my Tongue

Am

Keeping all the words in

G

I shoulda said, but I m young

F

Immature and stupid

G

So I just keep my mouth closed

Am

Lock it with a key and then

G

Block it out with music

F

Maybe I m feeling empty

G

Wondering why I m lonely

Am

All my friends be leaving

G

To figure out what s trendy

F

It s hard enough already

G

Dealing with the drama

Am

Don t wanna be involved in

G

But somehow I m still calling

F

Friends until the morning

G

Cause all their hearts be broken

Am

Their heads they be exploding

G

Cause boy he didn t notice

F

She can't even focus

G

She's been falling so hard

Am

But it never stops

G

Cause she's falling in slow motion

F

Why you gotta question

G

All of my emotions

Am

Told you I can't explain them

G

Especially at my lowest

F

I be feeling nothing

G

Where's human connection

Am

All we got is snapchat

G

No talking we just texting

Sung

F **G**

Why you hurting?

Am **G** **F**

You've been high up in the clouds

G

Let me know when

Am **G** **F**

You'll decide to come back down

G

Why you hurting?

Am **G** **F**

Ya I know you overthink

G

Let me know when

Am **G** **F**

A tear won't fall each time you blink

G

Why you hurting?

Am **G** **F**

I know everything's a mess

G

But don't burn yet

Am G

I don t think the fire s dead
