Am

I know I m not that girl like you

F Am

No, I m not gonna follow what you do

C Am F

Typically it s not like me to change the way I roll

G

So here it goes

C

Stand up and change the surface

Am

Look around cause no one s worth this

Dm

Don t sacrifice what you ve got

G

For what you don t want

C

Look ahead towards a brighter day

Am

Pick a road and follow the way

Dm

Don t you know what you should do

G Am F G

It s what the sign points to

Am

I know the pressure s building up

F Am

About to hit the breaking point

C Am F G

Open your eyes and see the harsh reality I speak

C

Stand up and change the surface

Am

Look around cause no one s worth this

Dm

Don t sacrifice what you ve got

G

For what you don t want

C

Look ahead towards a brighter day

Am

Pick a road and follow the way

Dm

Don't you know what you should do

G **Am F G**

It's what the sign points to

Am

F

Come on baby your time has come

C

Don't waste that pretty face

G

Just take the advice and run

C

And stand up and change the surface

Am

Look around cause no one's worth this

Dm

Don't sacrifice what you've got

G

For what you don't want

C

Look ahead towards a brighter day

Am

Pick a road and follow the way

Dm

Don't you know what you should do

G **Am F G C**

It's what the sign points to
