Ε

I feel you letting go

E/G# E/A

Holding on, caught in between

Ε

Could you risk the pain

E/G# E/A B

Take the chance, your heart might bleed

A E - E/G# - E/A

Just to feel that way?

E E/G#

Can t keep running in circles

E/A E

I m standing right here

E/G#

Could you rewrite the story

E/A

В

But trade all the tears?

Α

F#m

Oh, it s not too late to feel that way

C#m

Take a walk on the wire

Δ

I won t let you go

Е

We ll follow the street lights

В

Down this jagged road

C#m

We ll break it all open

Α

Finding our way

Abm A

We might end up broken and wounded

В

```
But baby it s worth it
For even one day
                 E - E/G# - E/A
Just to feel that way
                 E/G#
Let this moment unravel
And we ll be all right
The world might be gone tomorrow
   E/A
But we re here tonight
Oh, it s not too late
F#m
Just to feel that way
                 C#m
Let s walk on the wire
I won t let you go
We ll follow the street lights
Down this jagged road
                  C#m
We ll break it all open
           Α
Finding our way
               Abm
We might end up broken and wounded,
But baby it s worth it
    D
For even one day
(break)
Just to fall apart, I don t care
I m not going anywhere
Without you being here by my side
Yeah, I just don t feel right
```
