G Em

Well my trials but a memory

C Am

My torch but a lie

G Em

It appears I misjudged you

C Am

Out of mind, out of sight

G Em

You begged my forgiveness

C Am

But your bag you can't release

G Em

Now your bag is packed and bundled

C Am

How its size has decreased

Em C Em C

Without me, without me, without me, without meee...

Am G

You packed your bags without me

G **Em**

Well I watched you from my window

C **Am**

Wind tossing your hair

G **Em**

As you walked out the garden

C **Am**

To a prairie cold and bare

G **Em**

With low clouds grey and empty

C **Am**

Like smoke tangled in the trees

G **Em**

Now I smell it on my shoulder

C **Am**

Your kiss will comfort me

Em **C** **Em** **C**

Comfort me, Comfort me, comfort me, comfort meeee...

C **Am** **G**

That s where your kiss ll comfort me

G **Em**

Your leaving me my darling

C **Am**

I have to let you go

G **Em**

And you leave me with my sorrow

C **Am**

My freedom s all I ll know

G **Em**

But I ll wave good bye behind you

C **Am**

I ll wish you all my best

G **Em**

As you ride into the sunset

C **Am**

This gentle silence rests ...

Em **C** **Em** **C** **Em** **C** **Em**

around me, Around me, around me, around me, around me, around me, around me

C

Around meeeee....

C **Am** **G**

This silence rests around me
