Am F C G

The way you look, the way you laugh, the way you love with all you have,
there ain't nothin' about you that don't do something for me. The way you
kiss, the way you cry, the way you move when you walk by, there ain't
nothin' about you that don't do somethin' for me.

I love your attitude, all your tattoos, your every thought, your smile,
your lips and boy the list goes on and on and on.

Am, F, C, G

[Chorus]

The way you look, the way you laugh, the way you love with all you have,
your dance, your drive, you make me feel alive, and now I think you
see, there ain't nothin' about you that don't do somethin' for me.
