G Em7  
I wake up, stretch out  
Cadd9 Dsus4  
I wonder what you're doing right now  
G Em7  
Yeah I slept in my makeup again  
Cadd9 Dsus4  
Tell myself I must be crazy thinking about him  
G Em7  
I find myself something decent to wear  
Cadd9 Dsus4  
Take the towel out of my hair  
G Em7  
About that time you call me  
Cadd9 Dsus4  
I'm reminded without you I'd be  
G Dsus4  
A stranger in an all night diner  
Em7 Cadd9  
Waiting for her love to find her  
G Dsus4  
Lonely like a harbor line  
Em7 Cadd9  
That's never seen a boat  
G Dsus4 Em7  
Like a line in an old love letter  
Cadd9 G  
No one ever wrote  
G Em7  
I go to work, work all day  
Cadd9 D  
I want a tape recorder for everything you say  
G Em7  
Walk to the car, dig out my keys  
Cadd9 D  
Start thinking if you were with anyone but me
