

Anti Hero  
Taylor Swift

A E B C#m  
I have this thing where I get older but just never wiser

A E B C#m  
Midnights become my afternoons

A E B  
When my depression works the graveyard shift

C#m A E B C#m  
All of the people I've ghosted stand there in the room

A E B  
I should not be left to my own devices

C#m A  
They come with prices and vices

E B C#m  
I end up in crisis (I've realized all this time)

A E B  
I wake up screaming from dreaming

C#m  
One day I'll watch as you're leaving

A E B  
Cause you got tired of my scheming

C#m  
(For the last time)

A E  
It's me, hi

B C#m  
I'm the problem, it's me

A E B C#m  
At tea time, everybody agrees

A E B  
I'll stare directly at the sun

C#m  
But never in the mirror

A E  
It must be exhausting

B C#m  
Always rooting for the anti-hero

A E B C#m  
Sometimes I feel like everybody is a sexy baby

A E B C#m  
And I'm a monster on the hill

A E B C#m  
Too big to hang out, slowly lurching towards your favorite city

A E B C#m  
Pierced through the heart, but never killed

A E B C#m A  
Did you hear my covert narcissism lightly disguised as altruism

E B C#m  
Like some kind of congressman (I've realized all this time)

A E B  
I wake up screaming from dreaming

C#m  
One day I'll watch as you're leaving

A E B  
And life lose all of its meaning

C#m  
(For the last time)

A E  
It's me, hi

A E B C#m  
I have this dream my daughter-in-law kills me for the money

A E B C#m  
She thinks I left them in the will

A E B C#m  
The family gathers around and reads it and someone screams out

A E B C#m  
?She's laughing up at us from hell!?

A E  
It's me, hi,

B C#m  
I'm the problem, it's me

A E  
It's me, hi

B C#m  
I'm the problem, it's me

A E B C#m  
It's me, hi, everybody agrees

A E B C#m
