MIm

I can t take it back, look where I m at We was on D like DOC, remember that?
My TLC was quite OD, ID my facts Now POV of you and me, similar Iraq
I don t hate you but I hate to critique, overrate you
These beats of a dark heart, use basslines to replace you
Take time and erase you, love don t hear no more
No I don t fear no more, better yet respect ain t quite sincere no more

Remember when you tried to write me off?
Remember when you thought I d take a loss?
Don t you remember? You thought that I would need yah
Follow procedure, remember? Oh wait you got amnesia
It was my season for battle wounds, battle scars body bumped, bruised
Stabbed in the back; brimstone, fire jumping through
Still, all my life, I got money and power
And you gotta live with the bad blood now
