Capo 3  
Intro: **G F/Dsus4 Em7 Cadd9** X2

**G**  
I had to catch my breath  
**F/Dsus4 Em7**  
When I saw you there across the room  
**Cadd9**  
Holding her hand  
**G**  
I'd have never guessed  
**F/Dsus4 Em7**  
That starting over would look so good on you  
**Cadd9**  
But here I am  
**Dsus4 Em7**  
Still believing there might come a day  
**Dsus4 Cadd9**  
We'll pick up where we left off

**G**  
And by the way  
**F/Dsus4**  
Your eyes are dancing  
**Em7**  
I'll say the chances of that  
**Cadd9**  
Are getting slim  
**G**  
And by the way  
**F/Dsus4**  
My hearts still breaking  
**Em7**  
It's going take me a while  
**Cadd9**  
To love again  
**Em7 F/Dsus4 Cadd9**  
So many things that I forgot to say  
**F/Dsus4**  
By the way

**G**

I should've let you know

**F/Dsus4** **Em7**

All the way you made me feel alive

**Cadd9**

I guess it's too late

**G**

So I'll just get my coat

**F/Dsus4** **Em7**

And make my way into this breezy night

**Cadd9**

Give you one last wave

**Dsus4** **Em7**

Maybe you'll drop what you're doing

**Dsus4**

And come over here and say

**Cadd9**

I'm looking good

**G**

And by the way

**F/Dsus4**

Your eyes are dancing

**Em7**

I'll say the chances of that

**Cadd9**

Are getting slim

**G**

And by the way

**F/Dsus4**

My hearts still breaking

**Em7**

It's going take me a while

**Cadd9**

To love again

**Em7** **F/Dsus4** **Cadd9**

So many things that I forgot to say

**G**

By the way

**F/Dsus4**

You still look amazing

**Em7**

And I must have been crazy

**Cadd9**

To let you get away

**G**

By the way

**F/Dsus4**

If you ever wondered

**Em7**

I still got the same old number

**Cadd9**

Just in case

**Em7**

I still miss you

**F/Dsus4**

And I still love you

**G F/Dsus4 Em7 Cadd9**

By the way

**G F/Dsus4 Em7 Cadd9 G (strum once)**

By the way oh
