

Call It What You Want  
Taylor Swift

[Intro] C9 G D Em

[Verse 1]

C9

My castle crumbled overnight

G

I brought a knife to a gunfight

D

They took the crown but it s alright

C9

All the liars are calling me one

G

Nobody s heard from me for months

D

I m doing better than I ever was

[Chorus]

Cause...

C9

My baby s fit like a daydream

G

Walking with his head down

D

I m the one he s walking to

Em

So call it what you want, yeah

Call it what you want to

C9

My baby s fly like a jet stream

G

High above the whole scene

D

Loves me like I m brand new

Em

So call it what you want, yeah

Call it what you want to

[Verse 2]

C9

All my flowers grew back as thorns

G

Windows boarded up after the storm

D

He built a fire just to keep me warm

Em

C9

All the drama queens taking swings

G

All the jokers dressing up as kings  
**D**  
They fade to nothing when I look at him  
**C9**  
And I know I make the same mistakes every time  
**G**  
Bridges burn, I never learn  
**D**  
At least I did one thing right  
**Em**  
I did one thing right  
**C9**  
I m laughing with my lover  
Making forts under covers  
**G**  
Trust him like a brother  
**D**  
Yeah, you know I did one thing right  
**Em**  
Starry eyes sparking up my darkest night

[Chorus]  
Cause...

**C9**  
My baby s fit like a daydream  
**G**  
Walking with his head down  
**D**  
I m the one he s walking to  
**Em**  
So call it what you want, yeah  
Call it what you want to  
**C9**  
My baby s fly like a jet stream  
**G**  
High above the whole scene  
**D**  
Loves me like I m brand new  
**Em**  
So call it what you want, yeah  
Call it what you want to

[Bridge]

**C9** **D** **Em**  
I want to wear his initial on a chain round my neck  
Chain round my neck  
**C9** **D**  
Not because he owns me  
**Em**  
But cause he really knows me  
Which is more than they can say, I  
**C9** **D**

I recall late November, holding my breath

**Em** **C9** **D**

Slowly I said, You don't need to save me

**Em**

But would you run away with me?

Yes (would you run away?)

[Chorus]

Cause...

**C9**

My baby's fit like a daydream

**G**

Walking with his head down

**D**

I'm the one he's walking to

**Em**

So call it what you want, yeah

Call it what you want to

**C9**

My baby's fly like a jet stream

**G**

High above the whole scene

**D**

Loves me like I'm brand new

**Em**

So call it what you want, yeah

Call it what you want to

[Outro]

**C G D Em**
