

Chloe or Sam or Sophia or Marcus  
Taylor Swift

**F**

Your hologram stumbled into my apartment

**C**

Hands in the hair of somebody in darkness

**F**

Named Chloe or Sam or Sophia or Marcus

**G**

And I just watched it happen

**F**

As the decade would play us for fools

**C**

And you saw my bones out with somebody new

**F**

Who seemed like he would've bullied you in school

**G**

And you just watched it happen

**Dm**

**G**

If you want to break my cold, cold heart

**C**

**F**

Just say, "I loved you the way that you were"

**Dm**

**G**

If you want to tear my world apart

**C**

**F**

Just say you've always wondered

**F**

You said some things that I can't unabsorb

**C**

You turned me into an idea of sorts

**F**

You needed me, but you needed drugs more

**G**

And I couldn't watch it happen

**F**

I changed into goddesses, villains, and fools

**C**

Changed plans and lovers and outfits and rules

**F**

All to outrun my desertion of you

**G**

And you just watched it

**Dm**

**G**
