[Verse 1]

G D Em

I could go back to every laugh,

C

But I donâ€™t wanna go there anymore,

G D Em

And I know all the steps up to your door,

C

But I donâ€™t wanna go there anymore.

[Bridge 1]

Em G

Talk to the wind, talk to the sky,

C D

Talk to the man with the reasons why,

C D G

And let me know what you find.

[Chorus 1]

C D G Em

Iâ€™ll leave my window open,

C D G Em

â€˜Cause Iâ€™m too tired at night to call your name.

C D G Em
Just know Iâ€™m right here hopinâ€™,
C D Em C
That youâ€™ll come in with the rain.

[verse 2]

G D Em
I could stand up and sing you a song,
C
But I donâ€™t wannaâ€™ have to go that far.
G D Em
And I, Iâ€™ve got you down, I know you by heart,
C
And you donâ€™t even know where I start.

[bridge 2]

Em G
Talk to yourself, talk to the tears,
C D
Talk to the man who put you here,
C D G
And donâ€™t wait for the sky to clear.

[chorus 2]

C D G Em
Iâ€™ll leave my window open,
C D G Em
â€˜Cus Iâ€™m too tired at night to call your name.
C D G Em
Oh, just know Iâ€™m right here hopinâ€™,
C D Em C G.. D.. Em.. C..
That youâ€™ll come in with the rain.

Em G
Iâ€™ve watched you so long,
D
Screamed your name,
C D C D[lstrum down]
I donâ€™t know what else I can say.

[[in this part, MUTE STRINGS after the D so do this..>at the front of the FRET BAR with the string.. put your finger there and don t press]]
Do this in mute ..and note: I said at the front of the FRET BAR not the side or else
