

**Cornelia Street**  
**Taylor Swift**

[Intro] C G F

C  
We were in the backseat  
G F  
Drunk on something stronger than the drinks in the bar

C  
I rent a place on Cornelia Street  
G Am F  
I say casually in the car

C  
We were a fresh page on the desk  
G Am F  
Filling in the blanks as we go

C G  
As if the street lights pointed in an arrow head  
Am F  
Leading us home

C G  
And I hope I never lose you, hope it never ends  
Am F  
I d never walk Cornelia Street again

C G  
That s the kinda heartbreak time could never mend  
Am F  
I d never walk Cornelia Street again

C G Am F  
And baby, I get mystified by how this city screams your name

C G Am  
And baby, I m so terrified of if you ever walk away  
F C

C G Am F  
I d never walk Cornelia Street again  
I d never walk Cornelia Street again

C  
Windows swung right open, autumn air  
G Am F  
Jacket round my shoulders is yours

C  
We bless the rains on Cornelia Street  
G Am F  
Memorize the creaks in the floor

C  
Back when we were card sharks, playing games  
G Am F

I thought you were leading me on

**C**

I packed my bags, left Cornelia Street

Before you even knew I was gone

Sat on the roof, you and I

And I hope I never lose you, hope it never ends

I d never walk Cornelia Street again

You hold my hand on the street

**Am**

Walk me back to that apartment

**F**

Years ago, we were just inside

**G**

Barefoot in the kitchen

**Am**

Sacred new beginnings

**F**

That became my religion, listen

**C**

**G**

I hope I never lose you

I d never walk Cornelia Street again
