

Dancing With Our Hands Tied
Taylor Swift

[Intro] **Fmaj7 Am C/G**

Fmaj7

I, I loved you in secret

Am C/G

First sight, yeah, we love without reason

Fmaj7

Oh, twenty-five years old

Am C/G

Oh, how were you to know? And

Fmaj7

My, my love had been frozen

Am C/G

Deep blue, but you painted me golden

Fmaj7

Oh, and you held me close

Am C/G

Oh, how was I to know?

Fmaj7

Could've spent forever with your hands in my pockets

Am C/G

Picture of your face in an invisible locket

Fmaj7

You said there was nothing in the world that could stop it

Am C/G

I had a bad feeling

Fmaj7

And darling, you had turned my bed into a sacred oasis

Am C/G

People started talking, putting us through our paces

Fmaj7

I knew there was no one in the world who could take it

Am C/G

I had a bad feeling

Fmaj7

But we were dancing

Am C/G

Dancing with our hands tied, hands tied

Fmaj7

Yeah, we were dancing

C C/G

Like it was the first time, first time

Fmaj7

Yeah, we were dancing

Am C/G

Dancing with our hands tied, hands tied

Fmaj7

Yeah, we were dancing

Am C/G

And I had a bad feeling

Fmaj7

But we were dancing

Fmaj7

I, I loved you in spite of

Am C/G

Deep fears that the world would divide us

Fmaj7 C/G

So, baby, can we dance?

Am

Oh, through an avalanche?

Fmaj7

And

Say, say that we got it

Am C/G

I m a mess, but I m the mess that you wanted

Fmaj7

Oh, cause it s gravity

Am C/G

Oh, keeping you with me, I

Fmaj7

Could ve spent forever with your hands in my pockets

Am C/G

Picture of your face in an invisible locket

Fmaj7

You said there was nothing in the world that could stop it

Am C/G

I had a bad feeling

Fmaj7

But we were dancing

Dancing with our hands tied, hands tied
