

Daylight

Taylor Swift

C **G** **F**
My love was as cruel as the cities I lived in

C **G** **F**
Everyone looked worse in the light

C **G** **F**
There are so many lines that I've crossed unforgiven

C **G** **F**
I'll tell you the truth, but never goodbye

C **G**
I don't wanna look at anything else now that I saw you

Dm **F**
I don't wanna think of anything else now that I thought of you

C **G**
I've been sleeping so long in a 20-year dark night

Dm
And now I see daylight,

F
I only see daylight

C **G** **F**
Luck of the draw only draws the unlucky

C **G** **F**
And so I became the butt of the joke

C **G** **F**
I wounded the good and I trusted the wicked

C **G** **F**
Clearing the air, I breathed in the smoke

C
Maybe you ran with the wolves and refused to settle down

G
Maybe I've stormed out of every single room in this town

Dm
Threw out our cloaks and our daggers because it's morning now

F
It's brighter now, now

C **G**
I don't wanna look at anything else now that I saw you (I can never look away)

Dm **F**
I don't wanna think of anything else now that I thought of you (Things will never be the same)

C **G**
I've been sleeping so long in a 20-year dark night (Now I'm wide awake)

Dm
And now I see daylight (Daylight),

F

I only see daylight (Daylight)

C

G

F

But it s golden (Golden)

F

Not the things I hate

C

Not the things that I m afraid of, I m afraid of

Not the things that haunt me in the middle of the night

Dm

I, I just think that

F

You are what you love
