

C C/B Em F  
 I dress to kill my time, I take the long way home  
 G  
 I ask the traffic lights if it ll be alright, they say, I don t know  
 C C/B Em F  
 And what once was ours, is no one s now  
 G  
 I see you everywhere, the only thing we share is this small town  
 C C/B Em F  
 You said it was a great love, one for the ages  
 G  
 But if the story s over, why am I still writing pages?

C C/B Am  
 cause saying goodbye is death by a thousand cuts  
 C  
 Flashbacks waking me up  
 F Am  
 I get drunk, but it s not enough  
 Dm Gsus4 G  
 cause the morning comes and you re not my baby

C C/B Am  
 I look through the windows of this love  
 C  
 Even though we boarded them up  
 F Am  
 Chandelier still flickering here  
 Dm Gsus4 G C  
 cause I can t pretend it s okay when it s not  
 C/B Em F G  
 It s death by a thousand cuts

C C/B  
 My heart, my hips, my body, my love  
 Em F  
 Tryna find a part of me that you didn t touch  
 G  
 Gave up on me like I was a bad drug  
 C  
 Now I m searching for signs in a haunted club

C/B  
 Our songs, our films, united, we stand  
 Em F  
 Our country, guess it was a lawless land  
 G  
 Why are my fears at the touch of your hands?  
 C  
 Paper cut stains from my paper-thin plans

C/B  
 My time, my wine, my spirit, my trust

Tryna find a part of me you didn't take up  
 Gave you so much, but it wasn't enough  
 But I'll be alright, it's just a thousand cuts  
 I get drunk, but it's not enough  
 Cause you're not my baby  
 I look through the windows of this love  
 Even though we boarded them up  
 Chandelier still flickering here  
 cause I can't pretend it's okay when it's not, no it's not  
 It's death by a thousand cuts (you didn't touch)  
 Tryna find a part of me that you didn't touch  
 My body, my love, my trust (it's death by a thousand cuts)  
 But it wasn't enough, it wasn't enough, no, no  
 I take the long way home  
 I ask the traffic lights if it'll be alright  
 They say, I don't know
