

I Don't Wanna Live Forever  
Taylor Swift

[Intro] F C G Am  
F C G Am

F C  
Been sitting, eyes wide open  
G Am  
Behind these four walls hoping you'd call  
F C  
It's just a cruel existence  
G Am  
It's like there's no point hoping at all

F C  
Baby, baby, I feel crazy  
G Am  
Up all night, all night and every day  
F C  
Give me something, oh, but you say nothing  
G Am  
What is happening to me?

F C  
I don't wanna live forever  
G Am  
Cause I know I'll be living in vain  
F C  
And I don't wanna fit wherever  
G Am  
I just wanna keep calling your name

F C  
Until you come back home  
G Am  
I just wanna keep calling your name  
F C  
Until you come back home  
G Am  
I just wanna keep calling your name  
F  
Until you come back home

F C  
I'm sitting, eyes wide open  
G Am  
And I got one thing stuck in my mind  
F C  
Wondering if I dodged a bullet

**G** **Am**  
Or just lost the love of my life

**F** **C**  
Baby, baby, I feel crazy

**G** **Am**  
Up all night, all night and every day

**F** **C**  
I gave you something, but you gave me nothing

**G** **Am**  
What is happening to me?

**F** **C**  
I don't wanna live forever

**G** **Am**  
Cause I know I'll be living in vain

**F** **C**  
And I don't wanna fit wherever

**G** **Am**  
I just wanna keep calling your name

**F** **C**  
Until you come back home

**G** **Am**  
I just wanna keep calling your name

**F** **C**  
Until you come back home

**G** **Am**  
I just wanna keep calling your name

**F**  
Until you come back home

**F** **C**  
I've been looking sad in all the nicest places

**G** **Am**  
Baby, baby, I feel crazy

**F** **C**  
I see you around in all these empty faces

**G** **Am**  
All night, all night and every day

**F** **C**  
I've been looking sad in all the nicest places

**G** **Am**  
Give me something, oh, but you say nothing

**F** **C**  
Now I'm in a cab, tell 'em where your place is

**G** **Am**  
What is happening to me?
