Intro

**Bm G**

**Bm**

I had died the tiniest death

I spied the catch in your breath

**G**

Out, out, out, out, out, out

**Bm**

Northbound I got carried away

As you boarded your train

**G**

South, south, south, south, south, south

**Bm**

A feather taken by the wind blowing

**G**

I'm afflicted by the not knowing so

**Bm A**

I look in people's windows

**G**

Transfixed by rose golden glows

**Bm A G Bm**

They have their friends over to drink nice wine

**A**

I look in people's windows

**G**

In case you're at their table

**Bm A G**

What if your eyes looked up and met mine

**Bm G**

One more time

**Bm**

You had stopped and tilted your head

I still ponder what it meant

**G**

Now, now, now, now, now, now

**Bm**
