Friday night beneath the stars  
C  
In a field behind your yard  
Em Am D  
You and I are painting pictures in the sky  
G D/F#  
And sometimes we don't say a thing  
C  
Just listen to the crickets sing  
Em Am D  
Everything I need is right here by my side

C Em  
And I know everything about you  
Am D  
I don't wanna live without you

G  
I'm only up when you're not down  
D Am  
Don't wanna fly if you're still on the ground  
C G C D  
It's like no matter what I do  
G  
Well you drive me crazy half the time  
D  
The other half I'm only trying to  
Am C G C D  
Let you know that what I feel is true  
C Em D G D Am Cx2  
And I'm only me when I'm with you
